At his office. I don't know his name. I will find out. The National Park Service Regional Director may also be there, but that has not been decided. This is intended to be an informal chat.

Hi Peg,
I am on a conference call now, so thought I'd send a message. I talked to Marcia about this meeting. She said that she was available and asked that I schedule with you. The meeting is a discussion about

Pebble with the FWS Regional Director. The date and time are Dec 17, 1 to 3.

Phil
